Mayor Appoints Three To Deal with Surface Water Drainage Tasks

Dog Ordinance Termed Stiff, Brings Objections From Trustees

Terming the surface water problem the greatest headache of the village president in Antioch, Mayor Murrill Cunningham last evening appointed a new three-man committee to deal with it.

Chairman of the new committee is Trustee Bernard Osmond with Trustees Herman Holbek and George Garland serving as other members.

The members were chosen from the sewer and water and the road and bridge committees and will serve as a liaison committee between the two committees as problems of surface water come up.

Mayor Cunningham said that the problem is not only present in one part of the village, but in every part and must be considered as a whole. Recently water flooded the Pickard China Co. plant when a drain became stopped. Removal of the water there created a problem for the Antioch Grade school.

Next to the surface water problem, Cunningham said that dogs were the biggest headache.

Village Atty. E. C. Jacobs a few minutes later offered an ordinance which he was asked to draw up. In his own words, it was a stiff one.

Dog Ordinance Presented

The ordinance, if passed calls for all dogs to be inoculated yearly before they can be licensed and those unlicensed will be impounded. Dogs off the premises of the owner must be on a leash and muzzled. Those running at large will be impounded and the owner notified, if the animal bears a license. If not, after a due notice, the animal not claimed may be destroyed.

The ordinance brought objections from two of the trustees.

The consensus was that unless (continued on page 12)

4-H Clubs of County To Hold Style Show At Antioch July 22

The annual 4-H home economics food demonstration and style show will be held at the Antioch Township High School Monday, July 22.

On this day club members will compete for the privileges of going to the state fair to enter state competition.

During the morning there will be demonstrations in the preparation of food and in the afternoon the girls will exhibit the garments they have made. The best will be given ribbon awards.

More than 35 clubs will compete, and a crowd of 500 persons is expected.

A 4-H Charm School and food demonstration record school are scheduled for July 11 at Spaulding school, Grand ave. and Green Bay rd. Mrs. Helen Volk, home adviser announced.

The program at 7:30 p.m. will be a prelude to the Antioch event and will serve as training for it. Mothers of the girls are invited to attend.

Joanne Miller of the Volo Busy bees will give a food demonstration; Mrs. Volk will talk on 4-H records and activities; and Mrs. Robert Bell of the Patricia Stevens Charm school will talk on the subject "Every Girl Can Be Charming."

Many members of the 4-H Clubs are planning to attend the annual 4-H camp from July 29 to Aug. 2 at Camp Shaw-waw-nas-see near Kankakee.

500 Take Swimming Lessons at Aqua Center; Special Exhibition Planned for Sunday, Aug. 11

Swimming pupils approached the 500 mark this week as water safety training gained in popularity at the Aqua Center.

An increasingly large number of adults are taking advantage of the training afforded by the Red Cross instructors.

Directors of the Lions Improvement Corp. gave their approval Friday night to a plan by which the pool will be rented to special private parties after the hour of 9 p.m.

The Board tentatively set Sunday, Aug. 11, as Aqua Center Day when there will be special exhibitions at the pool by amateur performers, Dr. G. W. Jensen chairman, announced.

One of the exhibitions will be the progress of a child in swimming from the time he even fears to enter the water until he is happily swimming in a proficient style. The preliminary report on finances for the forepart of this summer were good, Dr. Jensen said.

Village Trustees Get First Police Report In More Than 50 Yrs.

For the first time in perhaps 50 years, a police report was made last night to the Village Board.

Trustee Herman Holbek, chairman of the police committee reported for the month of June 255 parking tickets were issued; there were 11 moving (traffic) violations, three accidents reported, two persons bitten by dogs, one car break in with no loss, one instance of stolen gas, one instance of vandalism, one boat reported lost and recovered, 153 telephone calls and 90 radio calls received by police, fire and rescue squad.

The report was signed by Police Chief Walter Scott.

Mayor Murrill Cunningham found one item missing—the amount of parking fines collected.

This led to a discussion as to means of collecting them and the police committee will study the application of the Waukegan system which works.

Next month there will be a report on fines and fees collected.

The police will begin making arrests for those who failed to get car license stickers, Trustee Holbek said. The fee now will be \$7.

To date 503 passenger car stickers and 105 truck stickers have been issued Clerk Clarence Shultis said. Mayor Cunningham estimates that 250 car owners are delinquent.

Only 102 dog licenses have been issued. A scheme has been devised to get the delinquent owners.

Mrs. Anna Speckhahn Dies Tuesday, July 2

Mrs. Anna Speckhahn, 86 years of age, died Tuesday, July 2, after a lingering illness.

A resident of Deep Lake, Lake Villa, Mrs. Speckhahn was born September 7, 1870 in Forest, Germany, and came to America in 1907. She lived in Kansas City, Kansas, Chicago, and Brookfield, Ill., prior to moving to Lake Villa in 1954.

She is survived by her two cousins, Mrs. Antonie Christensen and Axel Speckhahn, both of Lake Villa. Preceding her in death are her husband, Charles and son, Herbert.

Funeral services will be held Friday, July 5th at 11 a.m. at Strang's Funeral home. Pastor Harold Carlson of the Lutheran church of Richmond will officiate. Friends may call after 1 p.m. Thursday.

Justice Herbert J. Litchfield To Handle All Delinquent Personal Property Tax Cases

The deadline for paying personal property tax is past and those who failed to get under the wire in paying up must suffer the consequences.

Supervisor Lloyd Murrie says that he expects that the list of delinquent taxpayers for Antioch will be certified by the county treasurer to State's Atty. Thomas Moran within a few days and Moran, after reviewing them, will send them on to the township.

Just one of the justices of the peace will handle the cases, Murrie said. He is Judge Herbert J. Litchfield who will make it a fulltime job for a while.

Just how many property owners will be called in is not known. It is said that some of the greatest objectors to paying the tax finally made payment on the basis of the Civic League's argument that it was a matter of fairness.

Those who pay their back tax now will have to pay a penalty in addition, and those who don't make payment will see their property confiscated and sold, their wages garnished to settle the debt.

Ignoffo Start New Pizzeria at L. Villa

John Ignoffo has opened a new restaurant in Lake Villa known as the "Village Pizzeria."

Occupying the first two rooms of Walter Boss' new 4-room building on Rte. 21 north of Grand ave. Ignoffo's new restaurant will give him much more room than that which he formerly occupied at Ingleside.

Ignoffo has been in the restaurant business in this area and in Chicago for 20 years. In his new location he will feature the making of "pizzas before your eyes."

He plans a grand opening in two or three weeks.

Assisting Mr. Ignoffo will be his wife, Mrs. Eleanor Ignoffo, who recently resigned her position as cashier at the Jewel Tea Co. store to assist him in starting at the new location.

FOR ALL THE WORLD TO HEAR...

Dedication of Addition to St. Benedict Abbey To be Observed with Mass at 10:30 Thursday; Boyhood Friend of Abbot to Preach Sermon

M. Rev. John Paschang Guest of Abbott Richard Felix; Event Public

The Most Rev. John Paschang, bishop of Grand Island, Neb., a boyhood friend of the Rt. Rev. Richard Felix O.S.B., founder and first Abbot of the Benedictine community at Benet Lake, will preach the sermon at the dedication ceremony of the new abbey addition July 4.

The mass will be celebrated at 10:30 a.m. and the new building will be open to public inspection thereafter.

The monastery is being constructed in the form of a cross. The cross arms and the head are now complete, and the body which will constitute the abbey church is yet to be constructed.

The building is four stories high and is 120 feet from north to south with 120 private rooms for the community (continued on page 12)

Rainfall 2.38 Inches In Antioch For June

Antioch was out of the path of the tag end of Hurricane Audrey which reached the southern edge of Chicago and brought rain from 3 inches up to 9 inches in various parts of Illinois.

As the result, the total rainfall in Antioch for June was only 2.38 inches, an average to light amount, according to Cooperative observer Roy Kufalk. The greatest amount was a half inch on both the 11th and 12th.

Hickory Corner Votes School Tax Increase; Volo Rejects Proposal

Voters of Hickory Corner Grade School District 27 approved an increase of 21 cents on the \$100 valuation in Saturday's referendum 25 to 2.

The 27 votes cast were in contrast to the 13 votes of a previous referendum. The small district with its one-room school of 29 pupils sought a revenue of \$6,134.51 in contrast to the previous \$4,320.07 which left a \$500 deficit at the end of the past year.

The overwhelming vote in favor of the increase placed faith in the school board of which Marvin E. VanPatten is president.

While Hickory Corner voters were approving their tax increase Volo district turned down a similar proposal and a 10 cent increase in the building fund by a vote of 64 to 21.

The same district joined McHenry County voters of Wauconda Township High School district in voting down a tax to build a new high school.

First Work on Bong Air Base at Kansasville To Start Monday With Excavation of Big Ditch

Ground will be broken Monday for the \$30 million Bong air base near Kansasville, Wis., directly north of Antioch.

The first step in the construction of the new base which will serve as an air protection for Northeastern Illinois will be excavation of a 10-foot ditch 5,000 feet long along the southern and southwestern boundaries of the 5,400 acre plot that eventually will be the site of runways, hangars, houses, schools and other structures.

John F. Bloomer Co. of Appleton, Wis. was the apparent low bidder, his bid being \$50,040, or about half the estimate of \$103,000 the officials set.

Provision for drainage will be followed by the awarding of a second contract by Aug. 26 for grading, runways, taxiways, roadways, parking aprons, a central heating plant and other service buildings.

Engineers said that work under this contract will be started yet this year.

The federal government has already bought and received title to all of the farm land south of Rte. 43, which is approximately half the site. The rest of the land north of Rte. 43 must be obtained by purchase or condemnation yet this summer.

This will be speedy because Bong air base is a high priority.

Antioch Prepares for Large Crowds July 4, Resorts, Amusements to Draw Big Business; Fireworks at Night East of Soo Line Tracks

Martha Hunter Now Appointed Treasurer Instead of Elected

Mrs. Martha Hunter last evening resigned as an elected treasurer of Antioch and was immediately appointed to the office by President Murrill Cunningham. His appointment was unanimously confirmed by the trustees.

The letter Mrs. Hunter submitted to the board said that she was resigning to comply with the law of the state of Illinois which provided that village treasurers shall be appointed and not elected.

Antioch has been the only village in Lake County in recent years that has elected its treasurer along with the other elected village officials.

While this situation had drawn the attention of the Board before, it was never acted upon. Last month the Board took recognition of it and Mrs. Hunter readily acceded to the change.

Her salary and bond will be the same as before except that she will receive a yearly appointment instead of holding the office for four years.

Committees Complete Plans for Legion-K.C. Carnival July 10 - 14

The annual summer carnival of the American Legion again this year will include the Knights of Columbus in assisting with the five-day project which will open on Wednesday, July 10 and continue nightly through Sunday, July 14 in the Village grounds west of Broadway.

Arthur Putka Amusements of Rockford, Ill. will furnish the rides, and John Rose of Elgin will furnish the concessions other than those operated by the Legion.

Merchandise will be furnished by Thebault-Olsen Co., Chicago.

Committees in charge are: American Legion—John L. Horan, chairman, Dr. G. W. Jensen, William R. Vos, and W. V. Lahti; Knights of Columbus Council—Ralph M. Stollenwerk, Thomas W. Pechousek, and William B. Bosworth; Legion Auxiliary unit—Mrs. Joseph E. Horton, Mrs. William E. Corrick, and Mrs. John L. Horan.

Seek Missing Bicycle

A bicycle belonging to Sandra Bogaerts, 12, daughter of Mr. and Mrs. L. A. Bogaerts of 359 Cedarwood ave., Oakwood Knolls, has been missing for a week and anyone knowing of its whereabouts is asked to notify the family or Police Chief Walter I. Scott.

The bicycle was taken one afternoon last week from the Aqua Center while Sandra was in the pool. It is described as a blue and white J. C. Higgins vehicle with light and horn, rear view mirror, and yellow chain with padlock. Any or all of this equipment may have been removed.

To Complete Studies For School Unit Dist. Here Early Next Year

Setting Antioch and Lake Villa townships as theoretical units through which study will be made, the fact finding committee of the community unit school district studies is gathering its information in those areas.

William Thompson, administrative assistant to Co. Supt. W. C. Petty, Dr. Jack Children of the Northwestern University Survey Services, and David Coen, a graduate student, met with the committee recently in advising it on its fact gathering.

Early next year is the target for completion of the study.

Principal A. L. Dittman of Antioch Township High school said the investigation takes into consideration tax structures, population and enrollment of the two townships, building trends, population trends, and the probable nature of the areas in the next two decades.

Important Meeting Monday

The Antioch Acorns 4-H Club will meet at 1 p.m. Monday at the Scout House. This is an important meeting.

FREE MOVIE TICKETS

You may be the receiver of free movie tickets if your name is listed in this newspaper. It will pay you to look there for the announcement.

Lake Villa and Fox Lake Also Plan Fireworks Display Thursday

Antioch prepared today to celebrate Independence Day, commonly known as the Fourth of July.

With thousands flocking to the nearby resorts from the metropolitan area the community will be host to what is expected to be its largest crowd. Police are prepared for heavy traffic.

During the day the lakes, the Aqua Center and picnic grounds will provide most of the entertainment. At night Antioch, Lake Villa and Fox Lake all will have fireworks displays. Display time for all these places is set for 9 p.m.

Lake Villa's fireworks will be at Lehmann Park, Antioch at Sequoit Acres and Fox Lake at the American Legion grounds.

If favorable weather prevails a record crowd is expected Thursday evening at the Antioch fireworks display at Sequoit Acres.

Business Men Provide Liberally

The Antioch business men have furnished the Antioch Fire department more money than last year to make this years exhibit even better.

The program calls for a band concert by the Bristol band from 8 p.m. until 9:15 p.m., Fire Chief Edgar Simonsen announced.

Then a professional from the Star Fireworks Co. of Danville, Ill. will touch off the first bomb and the aerial exhibit will progress through about 45 minutes ending the display of a pyro technic American flag while the Bristol band plays the Star Spangled Banner.

Shoot Fireworks From Diamond The crowd will assemble at Sequoit Acres off Ida avenue facing south and the fireworks will be shot from the high school baseball field east of the Soo Line track.

Firemen will direct traffic in the parking area, and Police Chief Walter L. Scott and his staff, aided by auxiliary policemen will direct traffic on the street. Firemen as deputy police will patrol the Soo Line track to keep spectators off the right of way.

Chief Simonsen said that the field will be sprayed to get rid of mosquitoes.

The Antioch Rescue squad will be present and ready for any emergency.

While most business houses will be closed for the holiday, those dealing foods, drinks, and holiday services will be open.

Firemen Conduct Biggest, Finest Dance in History

Antioch firemen staged their most successful dance last Saturday night. It was the largest crowd that has ever attended the annual event.

While the newly paved Broadway was not used for dancing as considered, many of the young people jitterbugged on the new blacktop at the front of the station. Public speakers amplified the music to all parts of the inside of the fire and rescue squad stations as well as the outside.

The 11-piece orchestra of King Jaros was tops according to many persons who attended the dance.

"The crowd was orderly and everyone seemed to have a good time," commented Chief Edgar Simonsen. The chief complimented the committee on a fine job of conducting the dance. In charge were Chairman Otto Hanke, Verne Barnstable, John Dupre, Russell Stowe, and Leo Keisler.

Scout Leader Picnic At Adler Park July 12

Scheduling of the annual Northwest District picnic Friday, July 12, at Adler Park, Libertyville, for the adult Scout leaders and their families has been announced by Tilden Batchelder, of Libertyville, Northwest District chairman.

The district, a part of the North Shore Area Council, Boy Scouts of America, embraces 63 Cub, Scout, and Explorer units in the western part of Lake County.

Program for the picnic will include a review of the highlights of the Council and district programs, a question and answer period, and distribution of the 1957-58 Scouting program materials.

The picnic will be held from 6 to 9 p.m. and the old Adler Park swimming pool has been rented for use of the group between 8 and 9 p.m. Several hundred Scout leaders and their families are expected for the picnic and program.

When the State Bosses Doctors

What medical standards can be expected where government is the absolute boss, making all the important decisions and establishing all the basic rules?

Russia is the prime example of such a system. Mark G. Field, writing in the magazine Problems of Communism, tells what has happened there.

Statistically, Soviet medicine has made enormous strides. There are vastly greater numbers of doctors and hospital beds than in pre-revolutionary days. But statistics, taken alone, can be grossly misleading.

Mr. Field writes: "Under the Soviet system . . . the expansion of medical institutions has been accompanied by the creation of a large bureaucratic apparatus to administer them and to keep the physician under state control . . . the Soviet patient encounters all kinds of deficiencies and shortages in medical care, bureaucratic inefficiency and indifference, physicians who act more like policemen than doctors, overcrowded facilities, and often the lack of the most common medicine."

The exceptions to this are high-ranking Communists, who get superior medical service—a further example that Communism has proceeded great class distinctions.

Mr. Field makes another important point: "The Soviet hero is not the healer but the man who builds machinery for industry or the one who fights for the cause." The doctor's prestige and position suffers accordingly. For instance, in a major industrial plant where skilled workers earn about 2,000 rubles a month, the plant physician earned but 900.

Russia, of course, represents an extreme. But comparable difficulties have arisen in other countries under socialized or state-bossed medicine, as in England. Any Americans who still think that the medical care here should be taken out of the hands of physicians and their patients and placed under government control would do well to check on state medicine in socialized countries.

Grass Roots Opinion

OSWEGO, KAN., INDEPENDENT: "A prominent West Coast surgeon says that the day of available ready repairs and spare parts for the human anatomy

is in the foreseeable future. Now there is a main street business venture with possibilities."

BEEVILLE, TEXAS, BEE-PICAUNE: "Indiana recently became the 18th state to uphold a citizen's freedom—through a 'Right-to-Work' law—to join or not to join a union, as he sees fit, in order to get or hold a job. Thus the march of the states to assert and uphold a basic American freedom continues."

PIKEVILLE, TENN., BANNER: "There is a lot of squawking about the huge Federal budget, but who wants economy? It is all right for the other fellows' projects to be cut, but 'don't cut mine!' seems to be the attitude of at least 150 million Americans."

CLEWISTON, FLA., NEWS: "A 25 per cent reduction in Flood Control district levy is in store for taxpayers in the 17-county flood district. Coming at a time when the legislature, Congress and everyone else is figuring on increased expenses and increased taxes, it is very heartening to find a board which is actually planning to reduce taxes."

ALTOONA, PA., MIRROR: "A nation where men once had freedom but did not use it is now described as a dictatorship nation."

* * *

MOOSELAKE, MINN., STAR-GAZETTE: "As early as 1853 there appeared this sign on a businessman's door: 'I have laide aside business, and gone a-fishing', which proves they were smart in those days, too."

WINSLOW, ARIZ., MAIL: "Home accidents in America cause one death every 18 minutes, one non-fatal injury every 13 seconds. Among the nation's 17,000,000 children under six years of age, accidents cause more deaths than disease."

QUINCY, MASS., PATRIOT-LEDGER: "Americans snicker when the Russian Government repudiates all payments on its savings bonds but their own government has not repaid its bond holders in terms of purchasing power since World War II. . . . No one who buys a U. S. saving bond has to worry about getting his money back plus interest. There is no element of risk involved here. He should, however, take into consideration the factor of inflation—something that continues to penalize thrift."

CARLSBAD, N. M., CURRENT-ARGUS: "Many responsible congressmen have been saying, 'The reason we spend so much is that the people demand it.' These congressmen are right, says the New Mexico Taxpayers Association, which claims: 'Too many Americans shout "economy" with one voice, and yell "gimme" with another.'"

WEST POINT, MISS., TIMES LEADER: "The United States will participate officially in a trade fair behind the Iron Curtain for the first time this summer. . . . at the Poznan Fair in Poland. . . . The Exhibit is designed simply to show the people of Poland what typical Americans wear and what they pay for their clothes, but the revelation may explode a chain reaction of dissatisfaction when these people starved for consumer goods weigh their lot with Communism and ours under private enterprise."

Lindenhurst

Mrs. John Selzer - Correspondent
Telephone Elliott 6-1172

Mr. and Mrs. Frank Henry became the proud parents of a baby girl on June 28. The new little Miss tipped the scales at 6 pounds and 8 ounces. She has a brother and sister at home, Toby and Regina.

Stephen Loblillo, son of Mr. and Mrs. Sam Loblillo celebrated his eighth birthday on Wednesday with a party at which he had 20 boy friends from Lindenhurst.

Lynn Hay, Mary Loblillo and Millie Bordegon are among the mothers who patrol the beach at Miltmore. They see to it that the beach is kept clean, bicycles are not too near, etc.

Mr. and Mrs. Roman Poterek of Chicago spent the holiday in the home of their daughter and son-in-law, Mr. and Mrs. William Bordegon.

Miss Eileen Paterek and Don Winer of Chicago visited in the home of Eileen's sister, Mrs. William Bordegon, this past week.

John P. Selzer, son of Mr. and Mrs. John A. Selzer celebrated his 13th birthday July Tuesday.

John Slove, chairman of the police and firemen committee of Lin-

denhurst attended the Lake County police meeting in Grayslake June 26 to get pointers and ideas on his job. After talking to quite a few of the men present he had some ideas as to how he could set up a volunteer force in Lindenhurst. He will lay his plans before the next board meeting when he will ask for a squad car, eight patrolmen and one chief. He would like the patrol to do seven day duty.

Bobby and George Lang were week-end visitors in the home of Mr. and Mrs. Lowell Graves.

The July 1st meeting of the Re-

becca circle was held in the home of Mrs. D. Wacaser.

LAKE VILLA METHODIST CHURCH NEWS

Construction bids on the building the new Lake Villa Methodist church will be opened Friday evening, July 12, according to John Perry, chairman of the building committee. The \$123,000 sanctuary and wing, to be built on a five-acre plot of land on McKinley Avenue at the south edge of Lake Villa, has been designed by William A. Cooley, architect from Park Ridge,

Ill. Plans include, besides the sanctuary, church and minister's offices, kitchen and dining facilities and Sunday School rooms.

The present church structure, on the corner of Milwaukee and Cedar avenues, was built in 1893, and the Rev. Gerald B. Robinson serves as full-time pastor.

On July 7 and 14, during the absence of the vacationing Rev. Gerald Robinson, the pulpit of the Lake Villa Methodist church will be filled by the Rev. Mr. West of the Methodist Information Office.

Mrs. Delbert Sherwood will be organist and Mrs. Thomas Mellen will sing for the 9:30 and 11:00 a. m. service on July 7, and there will be supervised nursery during both services.

The Woman's Society of Christian Service will hold its monthly meeting Tuesday, July 9, at 12:30 p. m. at the church. Mrs. Martin Lau and Mrs. M. Jones will be hostesses for a potluck luncheon, and Mrs. James Connell and Mrs. William Walker will have charge of devotions and program.

According to Mrs. Thomas Mellen, president of the organization, final plans will be discussed for the buffet luncheon and bazaar which the women are sponsoring on July 17 at the Lake Villa School gym.

Mrs. Mabel Meierdirt, Sr., and daughter, Deana are spending five weeks in Monzonola, Colo., with Mrs. Mabel Pavitt, daughter of the Meierdirks. Mr. Pavitt was editor of the Lotus News at Fox Lake, Ill., before moving to Colorado.

Great new scientific discovery

D-X BORON

From D-X Sunray's huge laboratories comes a truly
different motor fuel, D-X Boron! Now the power of
boron—the chemical used in experimental missile fuels
—is harnessed for your car.

Proved by millions of miles of driving, D-X Boron
Motor Fuel has been made possible by D-X Sunray's
expanded research facilities and 10-million-dollar in-
vestment in refining equipment.

D-X Boron is an entirely new motor fuel. It liberates
more power per gallon in your engine—new or old!
It gives you smoothest power! Thrilling acceleration!
Marvelous road performance!

Push your foot to the floorboard without fear of knock.
D-X Boron has the highest octane in our history. Get
it at your D-X Dealer's now!

D-X still gives you the famous plus—D-X upper-cylinder lubrication!

The Smoothest Power
you can buy

Boron registered in U. S. Patent Office

Nothing gives your kitchen the modern look like a modern electric range

and nothing cooks cleaner, cooks cooler or cooks food faster!

Today's trend is to electricity—in the kitch-
en and in every other room of the modern home.
Probably nothing reflects this trend better than
today's electric ranges.

They're trim, attractive and easy to use. You
get exactly the heat you select. No guesswork.
And you'll cook everything from peas to pot roast,

perfectly—first time you try.

You'll like a lot of other things your dealer has
to show you about today's electric ranges (you'll
also be surprised how easy it is to own one). And,
no matter which model you choose, you can be
sure it will be as modern in the years ahead as
it is today.

Mr. and Mrs. Herman Frank, Mrs. William Harms, and John Grabow returned home Saturday from a week's trip to Minneapolis, Minn., with Mr. and Mrs. Frank McConnell, Jr., and to Yetter, Iowa, to visit Mr. and Mrs. Bert Kohlstedt, to Rock Island, Ill., to visit Mr. and Mrs. Oliver Balza.

James Dassing, Twin Lakes, spent the week-end with Misses Grace and Erminie Carey.

Mrs. Alfred Oetting returned home Thursday from Burlington Memorial hospital where she underwent a major operation.

Mr. and Mrs. Frank Mecklenburg, Genoa City, spent Sunday with Mr. and Mrs. Frank Zarnstorff, Sr.

Mr. and Mrs. Floyd Zarnstorff and family, Mr. and Mrs. Clifford Schall and family spent Sunday afternoon with Mr. and Mrs. Alfred Oetting.

Pot luck dinner was held Sunday at the Salem Methodist stand at Wilmot fair-grounds in honor of Mr. and Mrs. Carroll Usher and son, pastor of the Wilmot Methodist church.

Mr. and Mrs. Herman Frank and Richard, Jerry Schiltz, Karen Richards and Betty Smith attended a wiener roast at the home of Mr. and Mrs. Donald Wienke, Bristol, Sunday evening.

Mr. and Mrs. Frank Ashmus and sons, Jerry and Fritz, spent Saturday in Chicago. Jerry accompanied his grandparents to Indiana for a week's visit.

Mr. and Mrs. William Wolff, Washington, D. C., Mr. and Mrs.

Matt Hahn, Kenosha, spent Sunday afternoon with Mr. and Mrs. Alex Schubert and Fred Albrecht.

Wilmot Methodist Sunday school will be held at Mrs. R. C. Shotliff's store.

Mrs. Alex Schubert, Mrs. Lloyd Stoxen, Mrs. Lowell Pitts and son, Douglas, spent Friday afternoon with Mrs. William Fischer, Solon Mills, Ill.

Mr. and Mrs. Elmer Rasch entertained Mr. and Mrs. Ervin Rasch and family Thursday evening for supper.

Mr. and Mrs. Harley Shotliff and family, Dearborn, Mich., spent two weeks with Mrs. R. C. Shotliff.

Mr. and Mrs. Ronald Shotliff, Mr. and Mrs. Lyle McDougall, Mrs. R. C. Shotliff and Mr. and Mrs. Harley Shotliff and family enjoyed

a picnic dinner Sunday at the home of Mr. and Mrs. Stanford Heide, Kenosha.

Mrs. Clem Tilton, Sr., is spending a week at Balsam Lake, Wis.

Mr. and Mrs. Bill Schnurr and sons, Morton Grove, Ill., spent Sunday with Mr. and Mrs. Marlin M. Schnurr.

Mr. and Mrs. John Schnurr and Mr. and Mrs. Marlin Schnurr attended the class reunion of 1947 at "The Angels," Sunday evening.

Mrs. Paul Ganzlin spent Thursday to Sunday with her sister, Mrs. Oliver Mathews, Antioch, who was ill.

Mr. and Mrs. Frank Kruckman spent Sunday with Mr. and Mrs. Earl Hyde, Genoa City.

Mr. and Mrs. John Gyger and family, Libertyville, Mr. and Mrs.

Raymond Hirschmiller and Judy, Mr. and Mrs. Robert St. John and Sandra, Mr. and Mrs. Floyd Gyger, Jr. and family spent Sunday with Mr. and Mrs. Floyd Gyger, Sr.

Susan and Sandra Pacey spent three days with Miss Marjorie Kleper, Antigo, Wis.

Mr. and Mrs. Floyd Pacey and Mary, Kenosha, spent Sunday with Mr. and Mrs. Cyril Pacey. Mary remained for a week's visit. Sandra returned home with her parents after a week's visit with her aunt and uncle.

Mr. and Mrs. Earl Shales, Woodstock, Ill., spent Sunday with Mr. and Mrs. Cyril Pacey. Mr. and Mrs. Shales just returned from St. Petersburg, Fla., where they were called by the serious illness of Earl's brother, Charles Shales.

DON'T BUY ANY CAR BEFORE YOU DRIVE A CHEVY . . . ITS BEST SHOWROOM IS THE ROAD.

Beauty in motion—Chevrolet Bel Air Sport Sedan with Body by Fisher.

Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable roadability, the crisp precision handling that has posted an entirely new standard for cars in every price class. You can't read about that . . . but you can feel it in one minute on the road!

Good drivers know roadability is the single thing that means more

driving satisfaction for more thousands of miles than anything else. More safety, too, for it grants greater stability on curves, greater traction on wet roads, better "bite" under hard braking, more accurate steering. There are reasons for all this, of course: Chevrolet's balanced weight distribution that takes excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's

a car specifically designed for beautiful motion—you have to travel in this one to know just how terrific it is. Try it, this week!

MORE PEOPLE DRIVE
CHEVROLETS THAN ANY

Once Tobacco Was Highly Recommended As Miracle Drug

CHICAGO—Well, wodda you know... the whooping about tobacco causing cancer and other sinister diseases has made headlines and a lot of bestsellers but, says Stan Levi, President of Chicago's Iwan Rles and Company, a tobacco firm celebrating its Centennial in 1957, few people realize that tobacco reigned as a miracle drug for almost 250 years.

It enjoyed the longest run of standard usage since it was discovered along about 1560 until the beginning of the 19th century.

Published records show it to have been prescribed for 59 separate diseases, including cancer, asthma, paralysis, rabies, et al. Minor ailments such as warts, insect bites, poor eyesight, and falling fingernails were not considered sufficiently important to list.

This wonderful drug was given as an antiseptic, an unguent, a powder, an emetic, as cathartic, and Queen Caroline of England used it as a dentifrice, as did women and children of those times. Did the patient suffer a heavy cough? He was told to smoke tobacco, deeply inhaled. Pains accompanying gestation or labor? Place a leaf of tobacco, very hot, on the navel. If a form of delirium ensued, doctors blew smoke up the nostrils. Headache? Snuff powdered tobacco.

A Danish professor of anatomy and royal physician researched new techniques for administering the precious herb. The smoke of it, as detailed in his papers, was blown into the intestines to counteract nervous and intestinal disorders and hysteria.

Azaleas Challenge Cherry Blossoms

WASHINGTON—Washington's famous cherry blossoms face a new rival in the masses of azaleas that have come to decorate lawns, gardens, and parks in the city and its outskirts.

Recent years have brought increasing numbers of the shrubs, as neighbors vie in surrounding their homes and bordering their walks and fences with more lavish arrangements of the showy, multi-tinted blooms.

The rolling acres of the National Arboretum in northeast Washington burst forth each spring with the gorgeous color of plants that now number 100,000 in 1,500 varieties. In near-by Maryland suburbs, the London School for Boys augments its scholarship fund each year by a benefit azalea show.

The shrubs popularly known as azaleas are closely related to rhododendrons, says the National Geographic Society. So intermingled, in fact, are the characteristics of these two plants of the heath family that most botanists now classify all azaleas under the genus *Rhododendron*, instead of in a separate category as formerly.

Marriage, Family Are Increasingly Popular

NEW YORK—Getting married and raising a family has become increasingly popular among the younger set, according to statisticians of the Metropolitan Life Insurance Company.

Since World War II the median age at first marriage has decreased by one and one-third years, the statisticians point out, and now stands at 23 years for men and 20 years for women. As a result, the married population at the younger ages has increased markedly, and there are now more than one and one-half times as many married men under age 25 as there were in 1940.

Equally noteworthy is the increase in the proportion of young couples with children, reflecting largely the baby boom incidental to World War II and its aftermath, the statisticians say. The number of births in the United States has reached a new high in each of the last six years, the 1956 figure being more than 4,200,000 compared to 2,560,000 in 1940.

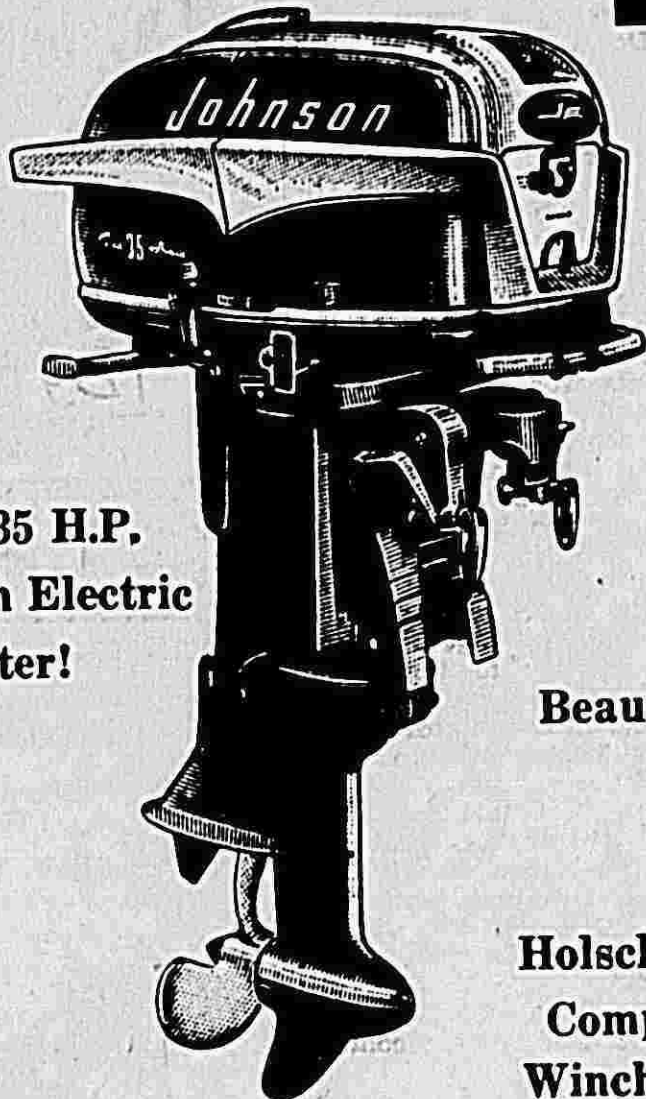

Cave-Dwelling Reptile Remains Are Discovered

LOS ANGELES—Remains of cave-dwelling reptiles that lived more than 30 million years before the dinosaurs have been found in an Oklahoma limestone quarry.

Dr. Frank Peabody, paleontologist at the University of California, Los Angeles, who has studied the site, says that erosion and quarrying have exposed a limestone highland which was honeycombed with caves during the early age of reptiles, 210 million years ago.

Mountain Generator

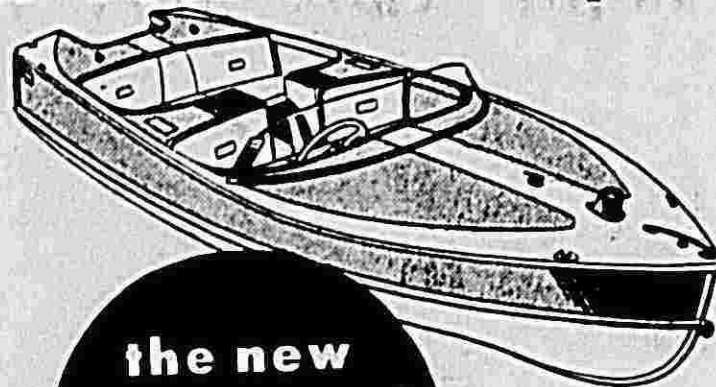

WASHINGTON—To build the world's largest underground power station, miners burrowed a quarter of a mile inside British Columbia's Mount DuBose. Within the mountain, generators churn out electrical energy in an atom-bomb-proof excavation that will one day be big enough to drydock the Queen Mary.

SOCIETY EVENTS

Grass Lake to Serve 3rd Annual Barbeque On Sunday, July 14

Grass Lake's Community organization will serve its third annual chicken barbeque Sunday, July 14 in the woods at the school and a goal of 1,000 dinners has been set.

A half chicken will be served with each meal and mathematically speaking this calls for 500 chickens. With it go the usual trimmings that go to make up a good meal. The event is public, of course.

Benefitting from the profits will be the girl scout and boy scout groups of the Grass Lake area.

As entertainment the scouts will stage games of skill, there will be a carousel, and horses for horse-back riding.

Robert Hart is in charge of the event and Ralph Tulcin is in charge of publicity. In event of rain the dinner will be served the following Sunday.

Mr. and Mrs. L. R. Van Patten, Sr., and their son-in-law and daughter, Mr. and Mrs. Carl Nadr and daughter, Margo, will attend a Fourth of July barbeque at the home of Dr. and Mrs. Richard Schubert of Millburn. They will conclude the holiday by watching the fireworks display in Antioch.

A neighborhood steak fry will gather residents of Winsor Drive, Antioch Thursday to celebrate the Fourth of July. Among those present will be the Jensens, the Dietrichs, the Bruhns, the Manzardos, the Koprivas and the Tosseys.

Donald Mizock, son of Dr. and Mrs. Harry Mizock of Chicago, was the guest this week of James and Roselle Barnstable, son and daughter of Mr. and Mrs. Russell Barnstable. The Mizocks are former residents of Antioch and former neighbors of the Barnstables.

Mrs. Clarence Spiering was hostess at the last meeting of the Antioch Homemakers club. The club celebrated her birthday and played cards. Mrs. Spiering is chairman of the Cancer Pad committee which has recently finished an emergency batch of 35 dozen pads.

Frank Petty, son of Mr. and Mrs. W. C. Petty of Spafford st., left last Thursday, after visiting with his parents five days. He lives in Hollywood, Calif., and is a reporter for the Los Angeles Examiner.

Destination: California was the final item on the itinerary of Elvin Meyer, who left June 23rd for a month's tour of the nation. He is the son of Mr. and Mrs. Herbert Meyer of Grass Lake road. Elvin is accompanied by Tom Jesse of Richmond.

Elizabeth Pechousek, daughter of Mr. and Mrs. Thomas Pechousek, started her work as summer counselor at the Chicago Crippled Children's Camp at Johnsbury, Ill. Miss Pechousek is a student at Duchesne in Omaha.

Bert Etten returned Wednesday afternoon from the hospital where he had been since Saturday afternoon. He was suffering from a broken blood vessel in his nose.

Ten members of the Antioch Women's club were present at the County Federation meeting at Lake Forest College last Thursday. Mrs. John Wagner made the centerpiece for their table.

Three Antioch girls are spending the week at Conference Point, Lake Geneva, Wis., in a camp for Methodist young people. They are Carolyn Arndt, Mary Wertz, and Mary Jane Jensen.

Mr. and Mrs. James Hunt of Dallas, Texas, are to visit Mr. and Mrs. Thomas Pechousek.

Mr. and Mrs. Clarence Spiering entertained 14 members of their pinochle club at luncheon Tuesday, July 2.

Gets Prize for Best Auxiliary Scrap Book

Mrs. Vera Horton, right, president of the American Legion Auxiliary, is shown presenting to Deborah VanPatten, left, a check as her reward for the best Auxiliary publicity scrap book in the tenth district as decided at the district meeting in Fox Lake recently. The book has gone to the state meeting for competition.

ANNUAL "GARDEN WALK" JULY 8

The garden section of the Antioch Woman's Club will enjoy their annual "Garden Walk" on Monday, July 8th. Members will assemble at the home of Mrs. Oscar Ostad on Linden Lane at 1 p.m. for a short business meeting and light refreshments.

All members' gardens will be open for viewing, and a car shuttle service will transport the ladies around the Antioch area. Note books and cameras will be in vogue as the "green thumb" associates swap garden planting ideas.

The round flower bed in the park area at the Rescue Squad Building was planted again this year by the Garden Section. Dolly Spiering, Blanche Wagner, Dorothy Onstad, and Ellen Stoffel took over that project this year and planted red geraniums, coleus, and white petunias in the flower bed.

ALTAR AND ROSARY TO MEET JULY 8

St. Peter's Altar and Rosary will hold a business meeting Monday, July 8, at 8 p.m. in the church hall. The main topic of discussion will be the festival to be held July 27 and 28.

Mrs. John Harrison will be chairman in charge of the meeting. Rosary and Benediction will be held in the church at 7:45.

St. Ignatius' Women's Auxiliary Make Plans for Rummage Sale

Last minute plans for a rummage sale to be held July 13 and 14 in the parish hall were discussed at the meeting last week of the Women's Auxiliary of St. Ignatius church. The meeting was conducted in the home of Mrs. William Meyer on Townline road.

Co-chairmen of the rummage sale are Mrs. Loren Sexauer and Mrs. George Bartlett.

Donald Olson spent last week at Huntley with his aunt, while his mother and sister, Diane, were assisting with the Girl Scout camp at Camp Hastings.

Auxiliary News

The Antioch Unit of the American Legion Auxiliary, held a business and social meeting Friday evening, June 28. Plans were made for delegates to attend the State Legion Convention on August 1, 2, and 3 in Chicago. Delegates elected are Vera Horton, Nancy Swenson, and Claire Horton; Alternates chosen are Lucy Himens, Ellen Swenson and Deborah Van Patten.

Illini Girls' Stater

The Unit Girls' Stater was unable to attend the meeting to give her report of her week at McMurray College but will be present at the July 26 meeting of the unit.

The 2nd Division Convention of the American Legion and the American Legion Auxiliary will be held at the Legion Home in Waukegan on July 7th.

Vera Horton, Lucy Himens, and color bearers, Ellen Swenson and Addie Horton will attend.

Mrs. Edna Porteous, District Director, has asked all Unit presidents to notify all their members that Captain Burrows has extended an invitation to all visitors to the 2nd Division Convention to visit Great Lakes Naval Training Station for Navy Drill, Saturday, July 6th.

Busses will leave Waukegan from the Legion Home, 501 Washington Street, at 9:30 a.m. Lunch will be served at the Naval Station for a nominal fee. This will be a wonderful opportunity and everyone should take advantage of Captain Burrows' generous invitation, if at all possible.

Meeting Cancelled

There will not be a meeting of the Antioch Unit on July 12 as that will be carnival time and all unit members will be helping at the carnival. The next regular meeting will be held July 26th at 8 p.m. in the Legion Home.

Mr. and Mrs. R. W. Frasier and daughters Carol and Gail returned home Monday after three weeks spent vacationing in Colorado Springs, California, and Big Bear Lake where they visited relatives.

Tigers, Giants, Yanks Battle for L. League First Round Honors

The Antioch Little League has a three team race shaping up for the first round championship.

The Tigers have a three win, one loss record and close behind are the Yankees and Giants with a four win and two loss record.

The Yankees have two games scheduled against the Tigers and the Giants have a game apiece with the Dodgers and six to finish up the first round. The Tigers also have to play two games with the Sox and one with the Cubs to complete their schedule.

Last week the Dodgers and Giants played extra innings to a 8 to 8 when the game was called because of darkness. Bentel and Osga pitched for the Giants and Yates and Cranley shared the mound for the Dodgers.

The Giants won over the Cubs Wednesday, 5 to 2. Thursday the Sox-Tiger game was rained out. Friday night the Yankees beat the Sox 9 to 6. Bob Carter pitched a nice game for the Sox up to the sixth inning when he got hit in the leg by a line drive off the bat of Gary Schlunz. Schlunz sparked the Yankee drive by getting four hits in four trips to the plate. Mike Horn of the Yanks picked up three hits in four times at bat to help the Yanks pick up their nine tallies.

Yanks Beat Dodgers
Saturday, the Yankees beat the Dodgers 7 to 2 behind the pitching of Schlunz and Dittman with Ennis behind the plate. Van Royan and Yates shared the mound for the Dodgers.

Sunday the Cubs won from the Dodgers in a free scoring contest 133 to 110.

As of Sunday night the Antioch Little League standings were as follows:

Team	Sponsor	W	L	Pct.
Tigers	State Bank	3	1	Pct.
Giants	Antioch Lumber	4	2	666
Yankees	Nat'l Bank	4	2	666
Sox	Dupre Heating	33	2	600
Cubs	Servicenter	2	5	285

Second Round Schedule

Cubs	Servicenter	1	0	1000
Yankees	Nat'l Bank	1	0	1000
Sox	Dupre Heating	0	1	000
Dodgers	Laursen & Blackman	0	1	000

Games scheduled next week are as follows:

Friday, July 5—6:00 P. M.	Tigers vs. Sox
Saturday, July 6—6 P. M.	Giants vs. Dodgers
Sunday, July 7—1 P. M.	Giants vs. Yankees
Tuesday, July 9—6 P. M.	Yankees vs. Tigers
Wednesday, July 10—6 p. m.	Sox vs. Cubs
Thursday, July 11—6 P. M.	Yankees vs. Dodgers
Friday, July 12—6 P. M.	Yankees vs. Dodgers

Homer Tiffany of Dallas, Texas, arrived Saturday for a two weeks visit at the home of his sister, Mrs. Nason Sibley.

A family picnic for the residents of Felter's Subdivision will be held Saturday, July 6, in the subdivision park. Sunday, July 7, is the alternate date in case of rain.

Herman, Jr., and Hugo Holbek are vacationing in Winter, Wis., at the home of their uncle, Dr. Smith. They will be visiting there for two weeks.

Best wishes to Mr. and Mrs. Frank Zeman of Channel Lake shores on their 16th wedding anniversary.

There will be a regular meeting of the Order of Rainbow for Girls on Monday, July 8, at 7:30 p. m. at the Masonic Temple.

My Neighbors

"Give me 'horse op'ry' every time. When they get stabbed, they bleed, instead of sing!"

But if any man love God, the same is known of him.—(1 Corinthians 8,3.)

The man who loves God—and lives that way—doesn't need to go about professing it. His goodness shows in his face, in his every word and deed, for he reflects the love of God upon his fellowmen, by expressing true brotherhood.

THE WEEKLY NEWSPAPER IS THE LIFE OF ANY VILLAGE

Can you imagine what Antioch would be like without a newspaper?

No way of learning about important happenings; no place to publish your wants, your legal notices or advertising, your news about clubs, civic organizations, sports, and detailed information in general.

Weekly newspapers are the most important media of news dissemination for small communities. They are institutions without which communities lose their individuality.

Read the Antioch News—subscribe for it by the year and it will pay for itself many times over through information giving financial advantages let alone the entertainment of general news.

A Community without a newspaper is not progressive

New Officers of the Antioch Women of the Moose

New officers of Antioch's organization of Women of the Moose are, left to right, Kit Avery, argus, Gladys Schroeder, pianist; Jerry Polson, assistant guide; Jane Verkest, guide; Alice Bushmole, treasurer; May Palmer, recorder; Mildred Gillum, senior regent; Harriet Grewe, junior graduate regent; and Bernice Kolar, junior regent.

Lakeside Council Has Good Report of Camp For Intermediate Girls

Board members of the Lakeside Council visited Camp Hastings where 133 Intermediate Girl Scouts held their encampment June 23-29.

On their arrival at camp through the gate they saw 12 girls were lined up for their turn at horseback riding. The girls, returning from their ride, stopped the horses in a row. The girls waiting chose the horses they wished to ride for the next hour through the camp grounds.

Off to the left, a group of girls was at the archery set with Mrs. Perry of Lake Villa, who taught them the fundamentals of archery.

The members walked on to the cottages—each cottage had 2 units with 10-12 girls in each unit. Some of the girls were busy with their counselors making lanyards, some were straightening the units, some readying for swimming, and some just resting in their beds.

At the fun lodge, a huge room with a fireplace at one wall, a group of the girls was playing ping-pong and the piano and dancing.

Out of the fun lodge they went down to the lake front, where another group of girls was swimming under the supervision of two lifeguards. Some were completing their swimming badges by falling in the water with their clothes on and swimming to shore.

Down at the water front one could see at a distance to the right, the tents standing where the girls of 7 and 8 grade level held overnight camp out under the supervision of Mrs. D. Morris, Gages Lake, Mrs. H. Miller, Antioch, Mrs. A. Nordling and Mrs. W. Boxley both of Fox Lake. Here the girls learned the putting up and taking down of the tents, making fires, and cooking out doors.

At the entrance the girls were standing in line waiting for their noon time meal that was served cafeteria style. Having been invited to eat with the girls the board members found the food delicious. It comprised chop suey with rice, orange sherbert, bread, butter and milk. A well balanced meal.

Around the camp flagpole the Camp Director Mrs. C. Olson and Camp Chairman, Mrs. H. Jesse both from Antioch were having a meeting with the Counselors. They were making plans for the talent show the girls were to put on later in the day. The counselors had no real problems to report despite the touches of homesickness, cool weather, and the occasional rains. (The girls encountered wore happy faces).

The Counselors at camp were, Mrs. E. Erickson, (Registrar) Mrs. W. Clayburn, Mrs. A. Eveland, Mrs. C. Keeler, Mrs. J. Maiworm, Mrs. R. Stewart, all of Round Lake, Mrs. W. Gifford (Folk Dancing), Fox Lake and Misses A. Federle, Spring Grove, Jean Filiatreault, Celia Hojem, Annabelle Hribar, (Junior), Patricia Jesse (Junior), Diane Olson, all of Antioch, Patricia McFarland, Wauwatosa, Wis. and Lynn Vande Moore, Wauwatosa, Wis.

MRS. MARY WILLIE INJURED IN FALL

Mrs. Mary Willie was injured Sunday, June 30, by a fall in her home. She suffered a fractured pelvis bone and was taken to the Victory Memorial hospital by the Antioch Rescue Squad. It is believed that she will remain in the hospital for a month.

She is the mother of Mrs. Calvin Hardin and Mrs. Earl Gibbs.

Pat Lynn Announces Day Camp for Antioch Children at Rox Park

A day camp for youngsters aged 6 to 12 of the Antioch area whose parents cannot afford the more expensive camps has been arranged by Patrick Lynn of Millburn.

Lynn said the children from this area will be picked up and taken to the Rox Park on Rte. 45 south of Rte. 173 where they will swim in the lake or play in the park from 9 a. m. to 3 p. m. five days a week. The camp will be operated a period of eight weeks and the children can be enrolled for any number of weeks, starting July 8.

Lynn is also in charge of the White Eagle Day Camp at Illinois State Park. This is considered too far to go for the Antioch area children. Information as to cost and payments may be obtained by calling Elliott 6-1311.

The program calls for supervised games, hobbies, crafts, horseback riding, trips to places of interest.

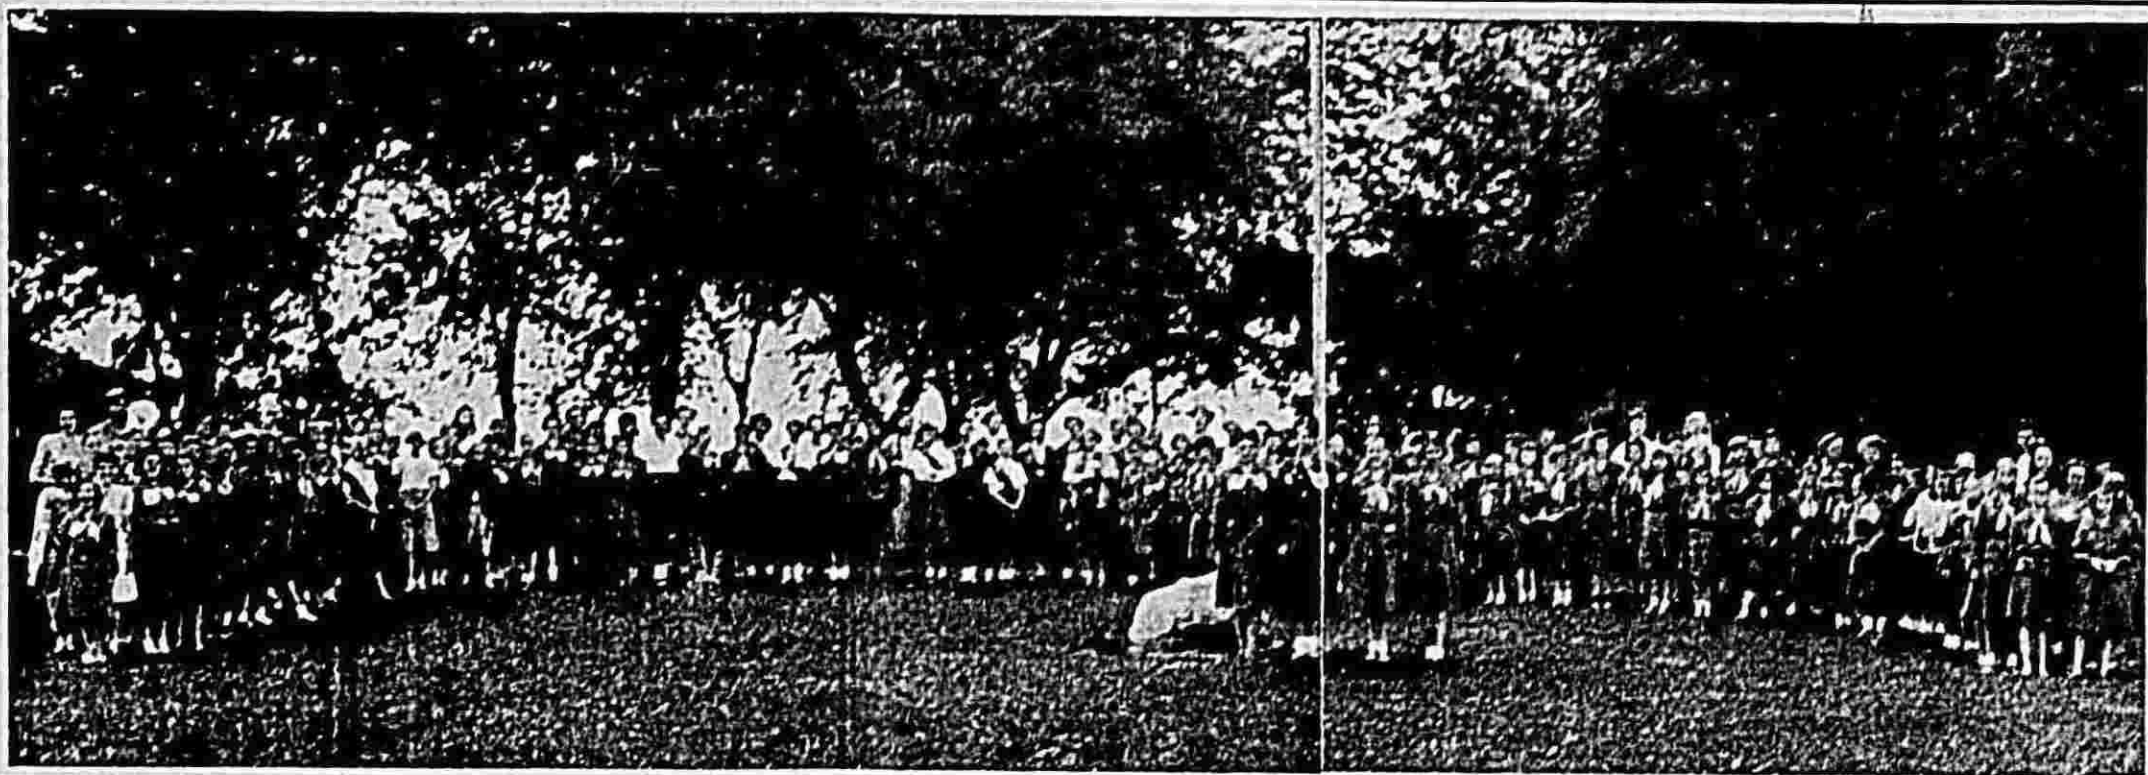

THE BEDROCK

America was conceived as a land in which the individual would be paramount.

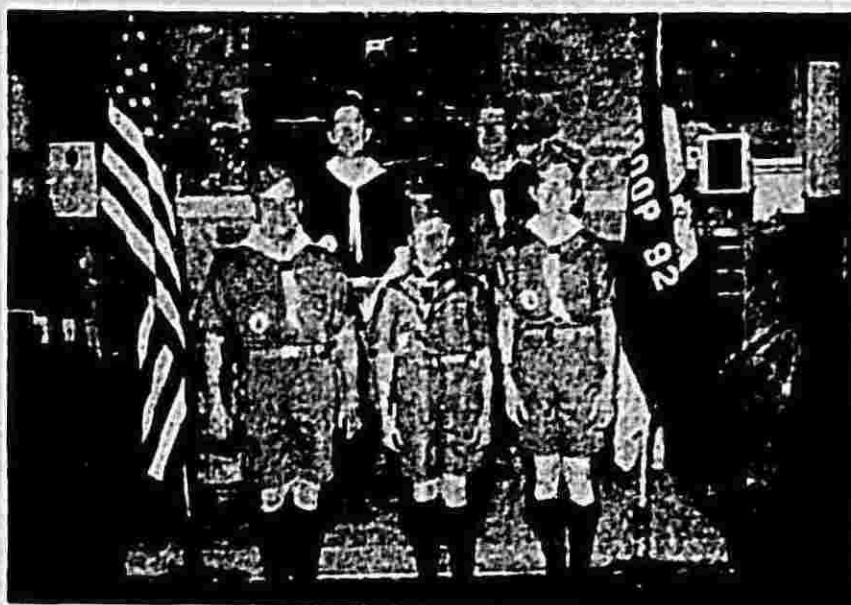

No matter how productive we become, how high we are able to lift ourselves in a material way, how clever the ideas advanced by our scientists, inventors and social thinkers, we can never afford to lose sight of the fact that individual liberty and responsibility are the bedrock on which our American system was built.

A weight reduction may save your heart and a speed reduction may save your life. Take off the Top Ten advises The Illinois Division of Traffic Safety. SLOW DOWN AND LIVE.

Intermediate Girl Scouts of Area Including Antioch Assembled at Camp Hastings Last Week

To Go to National Scout Jamboree

The boys in this picture will leave by airplane from O'Hare Field Saturday for the National Boy Scout Jamboree at Valley Forge. They and their leaders are, left to right, front row, Jim Horton, scout master Troop 92, Mel Cermak, senior patrol leader, Gaye Augsburg, Post 92; back row—Jerry Awe, post adviser Troop 92, and Harry Jesse, assistant district commissioner. They will return July 19.

BACKYARD BARBECUE TIPS

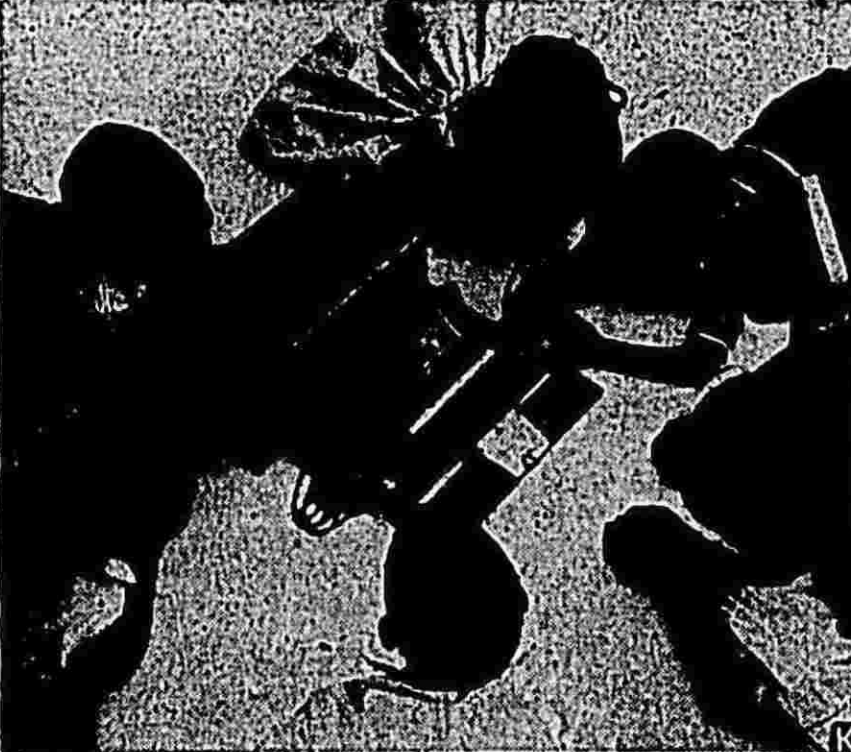

Americans will eat over a billion outdoor meals this year. Joining them? Have fun, but play it safe. Trim meat of excess fat; else drippings will cause flareups. Water does more harm than good on a grease fire. Rather, take along a box of baking soda—a handful puts out a small blaze quickly, yet doesn't hurt the food.

When barbecuing hamburgers DON'T press your patties too flat—you'll squeeze out all the meat juices and be left with a tough, dry "burger." And for a new barbecue taste thrill try pouring a tablespoon of imported Noilly Prat Sweet Vermouth over your "burger" three or four minutes before removing from the grill. You'll find that the French Vermouth's combination of white wines, herbs and flowers blends with the natural beef juices to produce a truly "glorified" hamburger.

PORTABLE MOVIE THEATRE

For the Home

Believe it or not—you can show home movies without the fuss and bother of setting up a projector and screen!

Family movies, rented features and cartoons make great entertainment for the family. And, you really don't need a lot of equipment to show them.

The trick: use a "projecto-editor," long used by professional movie makers and skilled amateurs to edit films, splice in sequences and titles, etc. Movies can be seen at a comical extra-fast speed, "slow motion" or

stopped at a single frame and even shown in a lighted room.

A popular projecto-editor is made by the Craig Division of the Kalart Company, Plainville, Connecticut. It comes in 8 or 16 mm. sizes, fits on any table; simple enough for children to set up and operate themselves.

ESPECIALLY FOR PET OWNERS

In the veterinary field, fluorescent dyes have been used to mark disease producing germs such as the virus which causes canine distemper and infectious hepatitis in dogs and thus study the development of immune antibodies. Veterinary authorities believe this technique may be a valuable aid for disease diagnosis and research.

A five year study of dogs with fractures repaired by placing a permanent pin in the center of the bone requiring support concluded that this method is safe on animals suffering from fracture of the long bones in their limbs, according to the Journal of the American Veterinary Medical Association.

In dogs of all ages, 55 per cent show evidence of chronic kidney infections, according to the American Veterinary Medical Association.

Gems of Thought

THE STRONGEST ARGUMENT Truth is always the strongest argument—Sophocles.

Truth cannot be stereotyped; it unfolds forever.—Mary Baker Eddy.

If fifty million people say a foolish thing, it is still a foolish thing.—Anatole France.

Any man more right than his neighbors constitutes a majority of one already.—Henry David Thoreau.

He that hath truth on his side is a fool as well as a coward, if he is afraid to own it because of other men's opinions.—Daniel Defoe.

There is nothing so powerful as truth—and often nothing so strange.—Daniel Webster.

There is no frigate like a book to take us lands away.—Emily Dickinson.

"Musicians Wanted" Air Force Says

Sergeant John S. Nyberg of the Air Force recruiting service, Waukegan, Ill., announced today that the Air Training Command has the "musician wanted" sign out at all of its 19 bands. The need is urgent for qualified personnel to fill existing vacancies.

Young musicians who can qualify on any of nine instruments can get a job immediately if they enlist. The instruments include clarinet, oboe, flute, saxophone, French horn,

trombone, bass horn, bassoon, and piano.

Musicians without prior military service who desire to enlist in the Air Force for a band assignment should contact Sergeant Nyberg who will arrange for an audition with an air force bandleader. The bandleader will prepare a letter authorizing enlistment if the applicant performs well enough to meet

proficiency requirements. Normal physical and mental standards for enlistment must also be met.

The musician may be assigned to the auditioning band if a vacancy exists for his particular instrument. Otherwise he may be enlisted and assigned to a band where a vacancy does exist. Contact Sgt. Nyberg at the Air Force recruiting office or call ON 2-5260

THIS CHILD IS SCHEDULED TO BE AN ORPHAN TOMORROW!

—BECAUSE OF A TRAFFIC ACCIDENT THAT DIDN'T HAVE TO HAPPEN!

Here's How You Can Help Stop These Tragedies

1. Drive safely and courteously yourself. Watch traffic and pedestrians carefully. Observe speed limits and warning-signs. Where drivers stay alert and obey the law, deaths go DOWN!
2. Insist on strict enforcement of all traffic laws in your community. (Traffic regulations work for you, not against you.) Wherever traffic laws are strictly enforced, deaths go DOWN!

C. H. Sudler Named Board President at Lake Forest College

Carroll H. Sudler, Jr., of Sudler & Co., real estate, 134 N. LaSalle St., has been voted president of the Board of Trustees of Lake Forest College, it was announced recently by Dr. Ernest A. Johnson, president of the college.

Dr. Ernest H. Volwiler, 310 N. Deere Park Drive, Highland Park, president of Abbott Laboratories, North Chicago was elected vice-president, and Philip L. Speidel, 1215 N. Edgewood, Lake Forest, president of the First National Bank of Lake Forest, was re-elected treasurer. Harris E. Wilder, 1280 N. Sheridan rd., Lake Forest, vice-president of the Illinois Company, was re-elected assistant treasurer of the college, and Thomas E. Sunderland, 1095 Pine st., Winnetka, vice-president and general counsel of the Standard Oil Company was re-elected secretary.

Mr. Sudler took office July 1 on the retirement date of Joseph B. Fleming, who received an honorary Doctor of Laws degree at the college's Centennial commencement, June 18. Mr. Fleming has served as board president since 1945, and as a trustee since 1933. He will continue as a trustee of the college.

Salem

Mrs. Byron Patrick, Correspondent
Tel. Bristol 110-F22

Mr. and Mrs. Byron Patrick have returned home from a week's vacation in northern Wisconsin.

Mrs. Louis Barthel is a patient at the Kenosha hospital where she underwent surgery.

Barbara Wilson, daughter of Mr. and Mrs. Lee Wilson, is a patient at Kenosha, a victim of polio.

Mrs. Natalie Stroupe and aunt of Wauconda are spending a week at Mrs. Stroupe's home here and also the Lester Dix family.

Mr. and Mrs. Donald DesMoine and daughter, Laurel Ann, of Kenosha called on the Robert and Byron Patrick families on Sunday afternoon.

Mr. and Mrs. Elmer Elfers of Fort Lauderdale, Fla., have returned home after spending the past two weeks with their parents, Mr. and Mrs. David Elfers.

Mr. and Mrs. Robert Imrie entertained relatives from Canada over the week-end.

Mrs. Nellie Head was a Kenosha caller on Saturday.

A new tax study made by the Chamber of Commerce of the United States says that high taxes do most injury to the persons who do not pay them, by discouraging business development and reducing job opportunities.

Graduated From Service School
Pvt. Neal P. Carney, son of Mr. and Mrs. Edward G. Carney, 1013 Spafford st., Antioch, Ill., recently was graduated from the Fifth Army Food Service School's eight-week cooks' course at Fort Riley, Kansas.

Carney entered the Army in January 1957 and received basic training at Fort Leonard Wood, Mo.

The 23-year-old soldier was graduated from Antioch High School in 1953 and was employed by the Johnson Outboard Motors, Waukegan, before entering the Army.

Happy Vacation, Neighbor!

So long neighbor. Have a good vacation. We noticed you getting a highway map at the service station and hope you had the car safety inspected and lubricated.

Then down in your driveway when you packed luggage, golf bag and thermos jug, you should have included a first aid kit, flashlight and extra tools.

We'll be looking for your happy return to club meetings, your job and your visits on Main street. Please don't let the children stand on seats or by the dash panel. They'll be anxious to start in that next grade of school next fall.

You see, 155 persons didn't return from vacations last June because of traffic fatalities on Illinois highways and streets. There are several ways to dodge death on your trip. Try a few of them, such as: start early, don't drive more hours than your normal work day, plan time to relax along the way and drive at a speed suitable for existing conditions. They all add up to the Illinois safety theme for summer motoring: "Slow down and live."

Please come back.

TRAFFIC SAFETY PROGRESS

How much progress has been made in traffic safety in our community in the last ten years? Have you ever taken the trouble to find out? Do you think of traffic safety only when there is a serious accident in our community? They deserve some study before answering. The following are a few points to consider.

Practically everyone thinks of enforcement first. There are about twice as many cars and drivers as there were ten years ago. City limits have expanded and the population has increased. Traffic is several times as heavy. How does the number of police traffic officers compare?

Traffic accidents reach their peak in summer months when the normal traffic load is swollen by vacation and holiday drivers. Excessive speed and other offenses that stem from the driver's "hurry complex" are the major factors, says the Illinois Division of Traffic Safety. Slow down and live.

Letters to The Editor

"Algae" are small green plants stimulated to excessive growth, to the exclusion of normal water plants, by nutrient materials, particularly nitrogen salts, when these are present in abnormally high quantities.

The presence of large quantities of algae is offensive in itself, producing decaying odors, and is an indication that the biological balance of the water is unsatisfactory.

The causes are many and interrelated — e. g. accumulations of leaves, trash, or garbage, undredged shallow channels, septic tank or sewerage plant effluents, low flow of water, etc.

Contrary to popular belief, the Conservation Department gives advice, but not financial assistance for local maintenance programs. The Federal government concerns itself with interstate problems and general research.

The problem of water pollution is nation-wide, in fact international, and it is only part of the wider problem of sharing the available water among the increasing number of people who need it for an ever increasing number of purposes. These purposes often conflict and here in the Chain of Lakes we are fortunate that it is in everyone's interest to maintain our lakes and streams for recreational purposes. We have no major industries which need to discharge chemicals, etc., into streams and our only problem is to make sure that our own domestic wastes do not destroy the amenities which make our area attractive.

Mrs. Jack Perry was a Chicago visitor last Wednesday.

The next regular meeting of the Royal Neighbors of Cedar Lake Camp will be held Tuesday, July 9, at 8 p. m. at the village hall.

The Royal Neighbors officers club will meet Wednesday, July 10 at 12:30 at the home of Mrs. May Bereliter of Winthrop Harbor.

Cecile Blumenschein and Matilda Bartlett were visitors at the home of Mr. and Mrs. Raymond Bartlett Wednesday.

Carol Hollis of Waukegan spent the week at the home of Mr. and Mrs. Fred Bartlett, Jr.

Mr. and Mrs. Joseph Nader and family and Mr. and Mrs. William Effinger and family are enjoying a vacation at Chetek, Wis.

Bull of Alfred Ames Gets Gold Medal Rate

Brattleboro, Vt.—Barnard Alma Buster 1118146 (VG), owned by Alfred H. Ames, Zion, Wis., has been designated a Gold Medal Sire, the highest recognition a Holstein sire can receive, by the Holstein-Friesian Association of America.

Admittance to the super-select Gold Medal Sire circle is limited to those Holstein bulls with daughters meeting exceptionally high standards of both milk production and body conformation.

Barnard Alma Buster was awarded this newest honor after being recognized as a Silver Medal Type Sire by the national Holstein organization.

Of his 31 daughters officially classified for type, 6 were scored Very Good, the second highest rating attainable. Average score for all classified daughters was 82.9.

He gained the paralleling Silver Medal Production Sire award in 1956, on the basis of 11 daughters with official production records averaging 13,580 lbs. of milk and 534 lbs. of butterfat.

FISHING

Dear Customer,

"Now is the hour" to plan and arrange for the care of your FURS during the hot weather. Your furs, probably one of your greatest apparel investments, should be properly protected to prolong their life.

POLARIZED STORAGE

In Grande's cool-air storage, all furs first receive a fumigant treatment to kill insects in all stages of life. They are then carefully locked in our insured vaults where temperature and humidity are accurately controlled. Your furs are safe from damage by heat, moths, moisture, fire and theft.

FURRIER CLEANING

We are proud of the care our Furrier Craftsman gives to each individual fur... gently removing the deep-down dust and dirt, and renewing the beauty and the softness of the fur.

The small cost of proper storage and cleaning will return big dividends to you in the life and looks of your furs. Do not neglect your investment. Call us today for prompt arrangements (call collect from out-of-town).

Cordially,
FUR DEPARTMENT

Mr. and Mrs. Bert Faram of Bradenton, Fla., and Sidney W. Stoker of Chicago were Tuesday, June 25th dinner guests at the Will Thompson home. In the afternoon they visited other relatives here.

The Robert Willis family moved on Sunday from the south Spiering cottage to a home they have purchased near Channel lake.

Mr. and Mrs. Harold Wilton visited the Chris Bock family near Wadsworth Friday evening.

Mr. and Mrs. R. C. Bishop and Mrs. Grace Turnock of Kenosha were Friday dinner guests at the Emmet King home.

The Frank Ryan family moved on Sunday from the north Spiering cottage to Bristol, Wis.

Twenty-seven voters turned out to the special tax election held at the Hickory school house Saturday afternoon. It passed with a large majority, 25 to 2.

Mr. and Mrs. Harold Butler and children of Waukegan were Saturday supper guests at the Curtis Wells home.

Mr. and Mrs. Albert Smith and three daughters of Antioch were Sunday afternoon and supper guests at the Gordon Wells home.

Mr. and Mrs. Will Thompson and Miss Helen spent Thursday in down-town Milwaukee and the Mitchell airfield south of Milwaukee.

Mr. and Mrs. Joe Merville of Zion were Sunday afternoon callers at the Curtis Wells home.

Little Carol Jean, second daughter of Mr. and Mrs. Richard Wells was a patient at St. Therese hospital, Waukegan, over the week-end.

She had bronchial pneumonia. Mr. and Mrs. Fred Leable visited Mr. and Mrs. George McNeil and family at Kenosha on Sunday.

The 4-H Club, "The Russell Roses" met at the home of Janet and Ruth Ann Ames on Monday, July 1. Doris Murrie was co-hostess. They had a weiner roast at noon, and the business meeting in the afternoon.

Mr. and Mrs. Joe White of Kenosha visited Mr. and Mrs. Harrie Tillotson one day last week.

Mr. and Mrs. Wayne Finkel of Frankfort, Ind., visited the Oscar Finkel family on Sunday.

Mrs. Donald Birchfield and two children of Waukegan spent a few days of last week at the Joe Sheehan home.

Miss Christine King visited at the home of her uncle and aunt, Mr. and Mrs. William Strahan at Antioch several days of last week. Joel and Janet Strahan of Antioch visited the Wilson King family several days of last week.

75 Million Dollar Construction Program

Northern Illinois Gas Company is planning to raise between \$8 and \$10 million early this fall, Marvin Chandler, president of the utility, disclosed July 1. Sept. 24 has been tentatively set as the offering date.

"Due to present unsettled market conditions, no decision has been made as to the form of the proposed financing," Chandler said. "However, because of the company's strong common equity position, no consideration is now being given to the sale of common stock, or securities convertible into common stock."

The new funds, Chandler ex-

plained, will be part of the estimated \$40 million of new capital required for the company's projected \$75 million four-year (1957-60) construction program. This outlay will provide principally for the new customers the utility expects to connect during the four-year period, and is exclusive of any possible amounts needed for major supply or storage facilities not now planned, he said.

Card of Thanks

I wish to say "Thanks" to my many friends, who remembered me with cards, letters and flowers, during my stay in the hospital and since my return home.

Frank Mikoleit Dies In Kenosha Hospital

Frank Mikoleit, a former resident of Antioch, died at the age of 59, Thursday, June 27, in the Kenosha hospital. He had entered the hospital to undergo surgery.

Born in Germany May 9, 1898, Mikoleit came to America in 1927 and settled in Chicago. In 1944 he moved to Antioch and operated a tavern, the B-Z-B, on Channel Lake. For the past nine years he lived in Spring Grove, Ill.

He is survived by his wife, Frieda, two sisters, Mrs. Meta Bartenwerfer of Germany, and Mrs. Frieda Wicher of Chicago, and his sister and brother-in-law, Martha and Werner Trost of Kenosha.

Funeral services were held Saturday, June 29th, at Strang's Funeral home, the Rev. Dr. Cody of the First Congregational Church of Kenosha presiding. Burial was at Hillside cemetery, Antioch.

In Basic Training

Two Antioch, Ill., soldiers, Privates Ronald C. Messersmith and John B. Eppers, are receiving eight weeks of basic combat training with the First Infantry Division at Fort Riley, Kan.

Messersmith, son of Mr. and Mrs. Donald Messersmith, 351 Bridgewood ave., attended Antioch Township High School before entering the army last May.

Eppers, son of Mr. and Mrs. Raymond M. Eppers, Loon Lake, also attended Antioch Township High School before entering the Army last May.

NOTICE OF PUBLIC HEARING AS TO THE COMBINED TENTATIVE BUDGET AND APPROPRIATION ORDINANCE OF THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP."

PLEASE TAKE NOTICE that the Combined Budget and Appropriation Ordinance of the "First Fire Protection District of Antioch Township", in tentative form, has been prepared by the governing body and will be conveniently available for public inspection at the front of the residence of Irving B. Elms, Secretary of said District, at Channel Lake Shores Subdivision, in Antioch Township, Lake County, Illinois, between May 15th, 1957 and July 16th, 1957.

A public hearing will be held as to such Combined Budget and Appropriation Ordinance at 8:00 p. m., D.S.T., on the 16th day of July, 1957, at the residence of FIRE COMMISSIONER CROWLEY, Deep Lake Road, Antioch Township, Lake County, Illinois.

DATED this 14th day of May, 1957.

(Signed) IRVING B. ELMS
Secretary of the "First Fire Protection District of Antioch Township."

The Antioch News and the Lakes Theatre invite Mr. E. H. Skiff, Antioch, Ill., and one to attend Sunday's showing of "Monkey on My Back," and "Three Bad Sisters" at the Lakes Theatre.

Card of Thanks

Wish to thank the Antioch Rescue squad, Dr. Alan Thain and our many friends and neighbors for the many acts of kindness and sympathy shown during our recent bereavement in the loss of our mother and grandmother, Marie Kilberger.

Post Office Receipts for Fiscal Year \$72,000 A 9 Per Cent Increase Over 1956, Kufalk Says

Receipts at the Antioch post office were \$72,000 during the fiscal year ending June 30, Postmaster Roy Kufalk announced.

This is \$7,000 more than the year previous when the total was \$65,000.

"These are in round figures," said Kufalk, who commented that the actual dollars and cents were a few more than that given.

The postal business is an indication of the growth and increase of business in Antioch, according to the postmaster.

"We're growing," he declared. Since a year ago Antioch has gone to home delivery and two men have been added to the list of employees.

Thomas McGreal is now serving as carrier for Rural Route 4 until a permanent carrier is appointed.

The postal department has announced that starting July 1 there are increased prices in registered, special delivery, and other types of special handling of mail. Regular postage remains unchanged. This will make for an increase in receipts for next year.

Dedication of Addition...

(Continued from page 1)
munty of 55 priests and brothers belonging to St. Benedict's Abbey.

Specializes in Home Missions

St. Benedict's Abbey at Benet Lake was established for work in the Home Missions. Besides carrying out the traditional Benedictine program of Ora and Labora, prayer and work, the Monks of Benet Lake direct their activities to the Home Mission Apostolate. The basic plan calls for a central abbey and training school for missionary priests and brothers, who then set up mission priories where needed. These small groups of dedicated men live the common life demanded by their monastic vows, and by their prayers and example, and their active mission work, contribute to the building up of the Church in America.

The foundation at Benet Lake was made on March 21, 1945. The site chosen was the old Chris Paschen estate two miles north-east of Antioch.

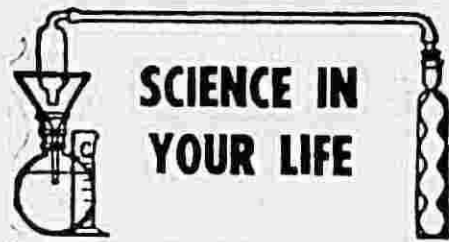

West Wing Blessed in 1952
The west wing of the new and permanent monastery building was completed and blessed in the spring of 1952. That same year marked the elevation of the new foundation to the rank of Abbey, with the solemn blessing of Father Felix as the first abbot on August 8. The community now numbers 63 members, with four Mission Priories already established in other states.

Abbott Richard is perhaps the best known for his "Why" leaflets on various religious subjects, which he has been writing and publishing for more than 15 years. Over one hundred fifty million Whys have been printed and distributed throughout the country during this time. More recently, the sale of Brother Benedict's Honey-Wheat bread has made many friends for the Abbey.

The open house and dedication celebration on July 4 are open to the public. Father Abbot Richard and the Monks extend a special invitation to their many friends in this area who would like to visit the monastery and see the buildings and grounds. After the new building is blessed and occupied by the Monks, the living quarters will be cloistered.

Whether or not you believe that speed causes accidents you must agree that it makes them more messy when they occur, says the Illinois Division of Traffic Safety.

SLOW DOWN AND LIVE

Going Abroad?

If you're planning to spend your vacation this year in a foreign country — or several of them — the chances are good that you are the envy of your non-traveling friends. And they're right, for going abroad can be a great adventure.

You may also have been the target of dire warnings about the health problems you will encounter. Some of these are non-sense, but it's a good idea to know exactly what health problems you are likely to encounter, and how to deal with them.

One authoritative source is Henry Mils's The Traveler's Health Handbook, an attractive, illustrated 16-page booklet that covers everything from seasickness to shots. Among other things, Mils discusses proper wardrobes, drinking water, altitude, allergies, tired feet, how to cope with hot weather, and insect bites. It is quick and easy reading, and it takes up so little space that you can keep it handy for ready reference no matter where you go.

The booklet can't be bought, but you can have it for the price of a post card. It is distributed as a public service by a large pharmaceutical company. Just write to Dept. G, Chas. Pfizer & Co., Inc., 630 Flush Avenue, Brooklyn, N.Y.

Safety Tips

Start sooner... drive slower... Live longer... Slow down and live.

Your life is too great a price to pay for a few minutes driving time, says the Illinois Division of Traffic Safety. Slow down and live.

When another accident is added to the traffic toll the odds are that haste was involved, says the Illinois Division of Traffic Safety.

School driver training classes, says the Illinois Division of Traffic Safety, are turning out a group of responsible teen-agers who are ashamed of some of the driving exhibitions put on by the elder "hot-rodders" who exceed safe speed limits, follow too close, pass on curves and create hazards for themselves and others. Adults should be ashamed, too.

As driving speed increases our field of vision is narrowed, says the Illinois Division of Traffic Safety. It is much like the vision of a hunter who walks through a field alert to every thing before him. Then, on sighting his game, he aims his gun and loses sight of all else around him. On the highway, at high speeds, drivers aim cars instead of driving them. This inability to see other highway users is one of the worst effects of speed. It traps drivers into situations from which there is no escape. It is one of the strongest arguments to slow down and live.

If you don't have time to get there—don't go, says the Illinois Division of Traffic Safety; Slow Down and Live.

On your vacation, plan the length of each day's trip, advises the Illinois Division of Traffic Safety, so that you'll not have to overspeed to reach your destination.

The faster you drive the less time you have to react in case of emergency, says the Illinois Division of Traffic Safety. Slow down and live.

Slow down—it's better late than never, advises the Illinois Division of Traffic Safety.

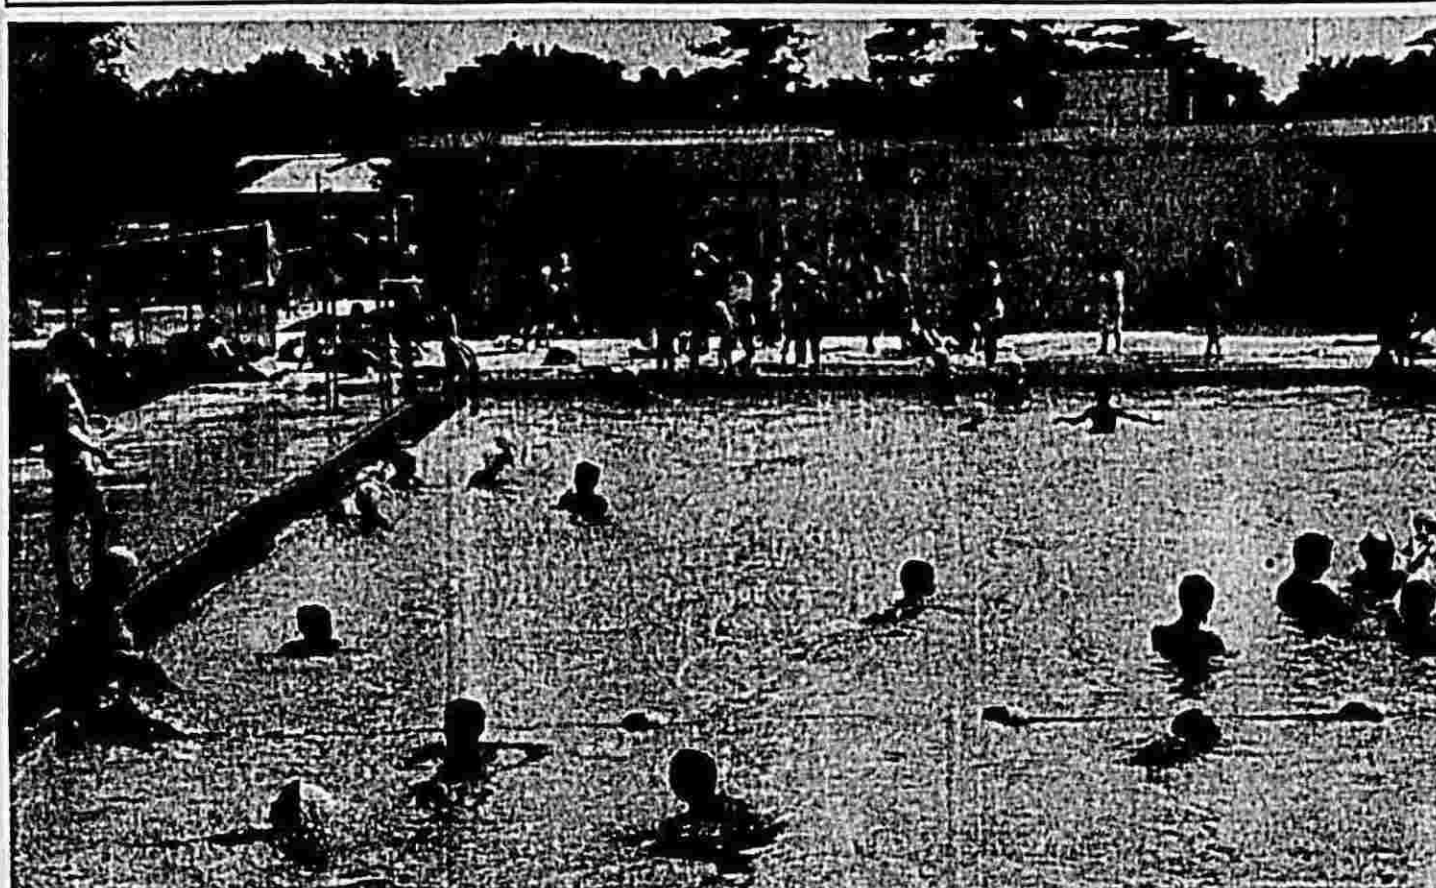

Mayor Appoints.....

(continued from page 1)
any ordinance is enforced it has no value. The police would be expected to enforce the ordinance.

The ordinance would require the owner of any dog that bit a person to tie the dog up for observation and if it died its head would be sent to the state laboratory for test for rabies. After much discussion the matter was shelved.

Water Tap Ordinance Passed
Another ordinance brought in by Atty. Jacobs providing for a \$65 overall charge, including the water meter for a 3/4-inch water connection.

Aqua Center in Antioch Looking Toward Bath House

Six hundred persons, a record crowd enjoyed the Aqua Center swimming pool in Antioch Tuesday. Two hundred attended classes in the forenoon and 400 were admitted during the afternoon.

No priority for the purchase of federal electric power should be given to any local governmental agency, in the view of Harold B. Say, of the Portland, Oregon, Chamber of Commerce. He told a House subcommittee that there is no logic in a preference clause which says "those citizens who choose to obtain their power from public utility districts should be favored."

Oil-pan and gasket replacement is much easier if the gasket is held in place with four studs set in the corners of the crankcase in place of the cap screws. Studs can be made by cutting off heads of cap screws or bolts. With these set loosely in place, the gasket will hang on the threads and the pan is easily fitted in place and drawn up with the original cap screws. Cut grooves in the ends of the studs so they can be turned out with a screwdriver, and, of course, they are replaced with cap screws.

Inflation note: The Wall Street Journal reports that a company decided to tear down an unused smokestack built in 1921. The original cost of the structure was \$8,740—but it cost \$13,470 to dismantle it.
